I. Move On When Ready (MOWR) Requirements (Reviewed and initialed by Parents/Guardians)

_____ The student's Individual Graduation Plan has been updated to reflect the plan of study through the MOWR program.

_____ The eligible MOWR student must contact the high school counselor for approval **BEFORE** any course/schedule changes can be made during the semester/quarter. All MOWR courses and the course grade will become part of the student's high school permanent transcript.

_____ The student and parent(s) or guardian(s) acknowledges that should a participating MOWR student choose to withdraw from a college course, the high school will make its best attempt to place that student in a corresponding high school course or credit recovery opportunity to meet course completion and graduation requirements. If no corresponding course or credit recovery opportunity is possible, the local district shall determine how the course will be recorded as a withdrawal or incomplete on the student's school record.

_____ MOWR expectations and responsibilities have been shared by the school counselor and all student and the parent/guardian questions/concerns have been discussed.

_____ The parent/guardian acknowledges that the U.S. Department of Education requires that all post-secondary institutions provide training on sexual assault awareness and prevention under the Violence Against Women Act. This mandatory training information will be provided by post-secondary institutions at no cost and could include MOWR students.

I, _____, hereby grant permission for the college/university to release information (Student Name – Please Print) of my enrollment and grades, including class schedules and transcripts, to my high school counselor or principal, for the purpose of verifying my high school graduation requirements. VI. General Information

1. MOWR classes attended on the college campus follow the college calendar and MOWR classes attended on the high school campus during their scheduled school day follow the high school calendar.
2. Students participating in MOWR college courses should do so with the knowledge that the course work may be more rigorous and challenging than high school courses. Students are held to a higher degree of independent responsibility and accountability than in regular high school classes.
