HON 1100/01 1 Credit	Honors Colloquium: Introduction to Honors	52116	Rita Bailey	Online 8-Week Session: 5/26-7/20, 2020

This course introduces students to the educational philosophy of the Honors College. Students explore and engage in various forms of academic inquiry, guided by a member of the Honors Faculty. In addition, they learn strategies for building strong academic credentials, finding good leadership and service opportunities, and preparing effective scholarship applications, both for internal (KSU) awards and for Rhodes, Marshall, Fulbright, or other major scholarships they may decide to pursue later in their academic career.

HON 2800 0 Credits	Honors Applied Learning Experience	52119	Staff	TBD
-----------------------	------------------------------------	-------	-------	-----

An Honors Applied Learning Experience is a way to acquire hands-on experience related to your major in a meaningful way that is less formal than an internship. Some common types of applied learning include volunteering, shadowing a professional in your future field, and observations. At least 48 hours of applied learning experiences are required, along with a written proposal within the first month of the semester and a written report and reflection on the experience by the final class day of the semester.

HON 3002/01 0 Credits	Honors Research	52120	Staff	TBD
HON 3002/02 1 Credit	Honors Research	52121	Staff	TBD
HON 3002/03 2 Credits	Honors Research	52122	Staff	TBD
HON 3002/04 3 Credits	Honors Research	52123	Staff	TBD

This course enables Honors students to earn course credit and gain hands-on experience by assisting a professor with his or her research. Students work one-on-one within their major field or within a closely related field doing primary and/or secondary research for a research project conducted by the instructor. Both the student and the instructor are expected to present their findings to members of the campus community at the end of the semester.
